

## Greetings!

Thank you for your interest in my new book, *Piedmont Style Country Blues Guitar Basics*. It is finally available and I am ready to accept orders!

Regarding autographs and inscriptions, I am happy to autograph and/or inscribe the book for you. *Additionally*, the first 50 books shipped will be embossed with our company name, Mudbone Watson Productions Inc., on the Title page.

By the way, I have had a number of inquiries about the book cover and, no, it is not a photo of Elizabeth Cotten! It is a photo of yours truly taken by a tintype photographer in West Virginia last summer. Also, I am not a lefty – it is the tintype process that reverses the image and makes it appear that way.
